## Purposes/contexts for YourJCUData Use

### Teaching and curriculum enhancement

Principle 9. Teaching that develops learning is well organised and subject to enhancement led through the cyclical process of reflection, revision and improvement.

9.2. The provision of efficient and robust learning experiences within all courses will be based upon a [Quality Enhancement Framework](#). Through this process, learning and teaching will aim to create a continuous cycle of improvement, with emphasis on self-reflection and critical self-evaluation that draw on evidence to inform and enhance practice.
