

Unattended Experiment Card

WHS-PRO-FORM-013b

Please Leave Operating

Experiments which will be left running overnight must have an “unattended experiment card” filled in specifying contact details of researcher, hazards and steps to be taken in an emergency. The experiment must be appropriately secured/isolated for the time period.

Name: Position:	
After Hours Phone Number:	
Supervisor and Contact Details:	
Start Date and Time:	
Expected Finish Date and Time:
