Majors

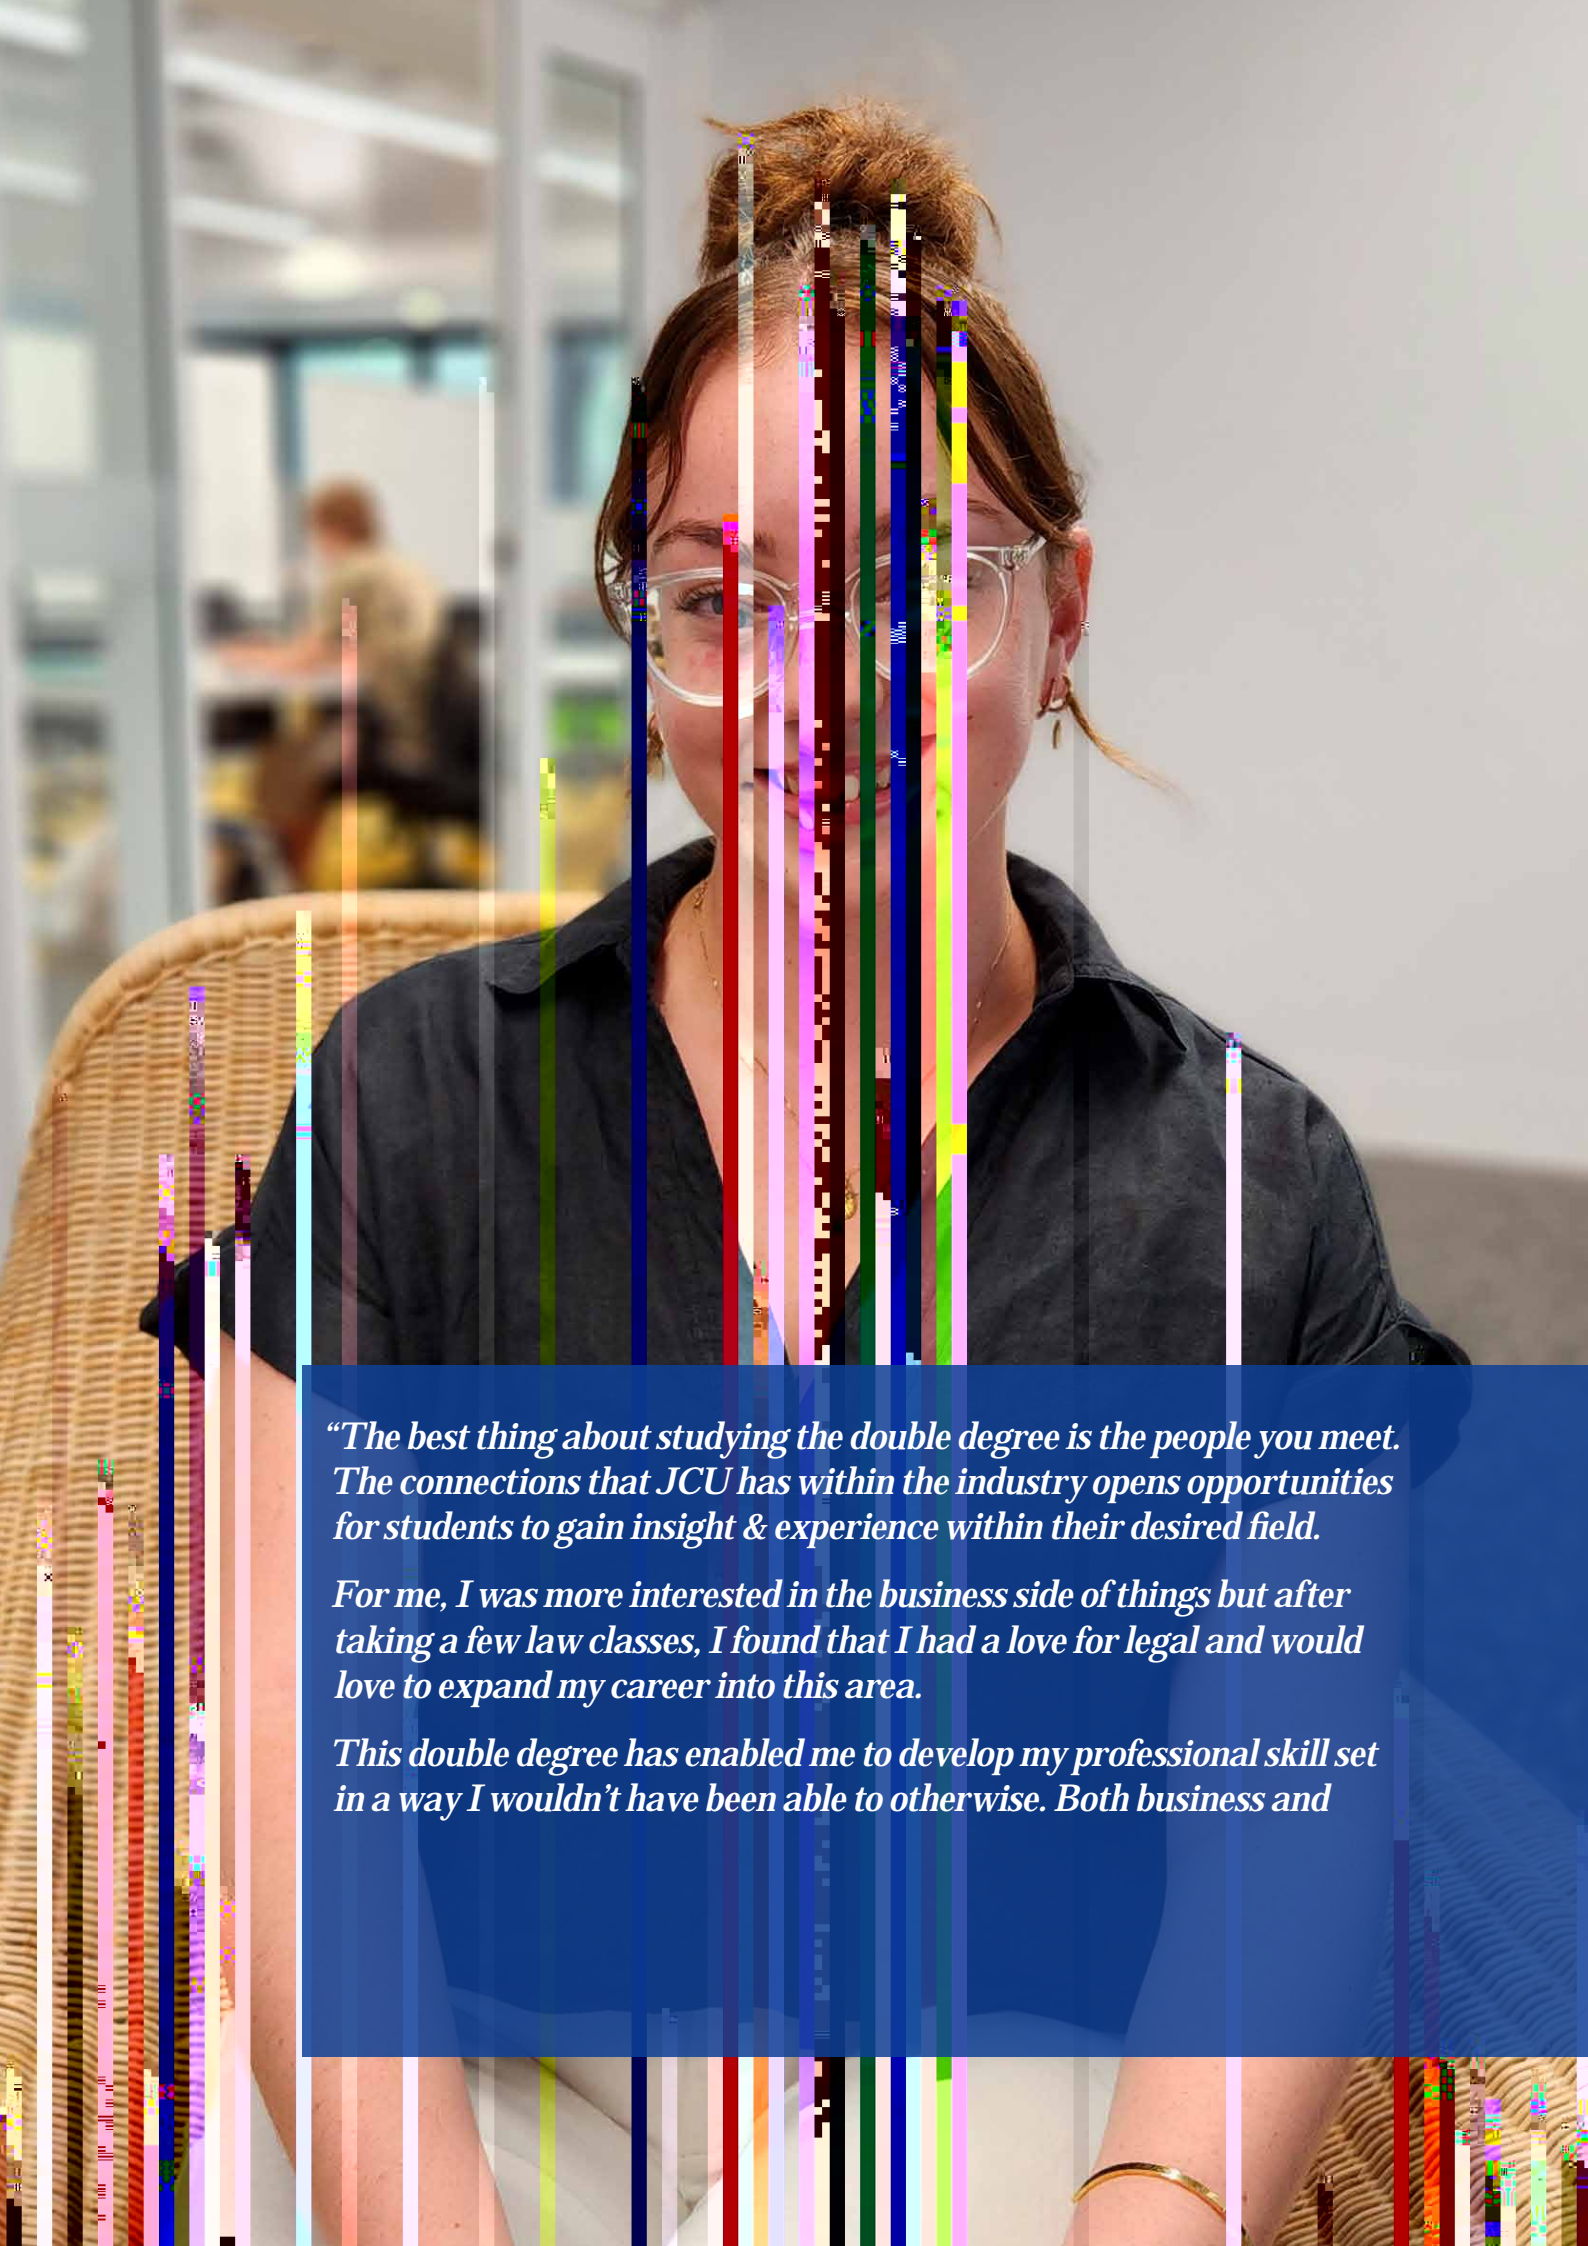

Work with us to design a degree program that meets your needs. We'll work with you to design a degree program that meets your needs. We'll work with you to design a degree program that meets your needs.

Human Resources Management

Our degree program in Human Resources Management is designed to provide you with the knowledge and skills you need to succeed in the field. Our degree program in Human Resources Management is designed to provide you with the knowledge and skills you need to succeed in the field.

International Business

Our degree program in International Business is designed to provide you with the knowledge and skills you need to succeed in the field. Our degree program in International Business is designed to provide you with the knowledge and skills you need to succeed in the field.

“The best thing about studying the double degree is the people you meet. The connections that JCU has within the industry opens opportunities for students to gain insight & experience within their desired field.

For me, I was more interested in the business side of things but after taking a few law classes, I found that I had a love for legal and would love to expand my career into this area.

This double degree has enabled me to develop my professional skill set in a way I wouldn't have been able to otherwise. Both business and

Career Opportunities

There are a range of career opportunities available at James Cook University, including teaching and research. Our staff are passionate about their work and the students they teach. We offer a supportive and challenging work environment where you can make a difference.

Graduate to senior roles, from teaching to research, we have a range of opportunities for you. You can work in a variety of roles, from teaching to research, and we offer a supportive and challenging work environment where you can make a difference.

“Our teaching staff here is excellent and very caring. This aligns with our class sizes, which allow the lecturers to provide personalised attention and support to their students.”
